Limousin Breeders and Enthusiasts,

On behalf of our team at Magness Land and Cattle, I would like to invite you to our 2014 Fall Production Sale. The sale will feature production females in the prime of their productive life, and the open heifers and bull calves at their side that reflect the best in Limousin and Lim-Flex genetics.

The beef cattle industry in the United States continues to enjoy the highest prices that any of us have ever seen and all signs point to a continuation of this market strength. At the same time, the demand for outcross genetics within the commercial herds continues to grow and this has been reflected by the strong demand we have seen for commercial bulls.

Magness Land and Cattle has made a significant commitment to the Limousin breed since 1981 and continues to strive to produce the best in Limousin and Lim-Flex genetics. To this end, the cattle in this offering have complete performance data including ultrasound measurements and all EPDs published by the North American Limousin Foundation.

Our focus continues to be on the production of attractive, sound structured cattle with a strong genetic profile that fit the needs of our customers, whether they be commercial cattlemen or seedstock producers. This summer, E. Roen Ranches from California topped the Superior Livestock Video Auction in Winnemucca, Nevada with 543 steers weighing 790 pounds selling for \$250.50 per cwt. which set a record price for that sale. These steers were all sired by Magness Lim-Flex bulls as were their mothers.

Please join us on October 19, 2014 at our Southern division in Miami, Oklahoma to appraise this outstanding offering of females. We are excited about the quality of the cattle offered as the females in this offering reflect the cowherd strength that has been responsible for the production of the Grand Champion Carload at the National Western nine of the past 11 years and Reserve Grand Carload five of the past 11 years.

If you have any questions please don't hesitate to call George Hubbard 918-541-5482, John Pence 970-396-3584, Kiley McKinna 402-350-3447 or Dr. John Edwards 541-890-5745. Looking forward to seeing you at the sale, I remain,

Sincerely yours,
Gary Magness

DIRECTIONS

From Tulsa or Springfield:

Exit off of I-44 on Exit 313. Turn West on to Steve Owen's Blvd (Hwy 10). Stay on Steve Owen's Blvd through Miami. Turn right onto Hwy 59/10. Go 2.5 miles. Turn right on 520 Road. Sale site will be on the left.

From Welch:

Go six miles on Hwy 59/10. Turn left on 520 road. Sale site will be on the left.

MAGS *program*

YOU'RE NOT JUST BUYING A FEMALE...

You're buying an industry-leading program

SERVICE

Our tag-line is, "The Brand You Trust, The Results You Expect." Simply stated, at Magness Land & Cattle, it's our goal to not only provide you with an exceptional product, but also industry-leading service. If you have a problem with a MAGS purchase, we want you to know we'll make it right. It's our everyday goal to satisfy our customers and ensure their success.

GUARANTEED SIGHT-UNSEEN PURCHASE PROGRAM

Our sight-unseen program is simple. If you can't attend, call George Hubbard, 918-541-5482, or MC Marketing Management, 402-350-3447, and give them your specifications and budget. We will provide you with a list of females we feel will meet your needs. If the females don't meet your specifications at delivery, you don't own them. We guarantee your bids will be confidential, and your purchases will be executed at the lowest

BREED-LEADING PREDICTABLE GENETICS

We have spent 30 years creating predictable, time-tested genetics with the combination of balanced EPDs and off the charts performance data. Our cattle perform on paper and in the pasture.

AI'd 5/09/14 to LH Rodemaster 338R. Safe.
PE'd to JMFA Rodemaster 294Z from 5/14/14 to 8/19/14.

This exceptionally well designed, homozygous black, huge numbered Lim-Flex female is a truly unique buying opportunity. Visually flawless best describes this big footed, free moving, sleek fronted, big bodied, square hipped female that has a perfectly constructed udder. On paper, she ranks in the top 10% for weaning, yearling, milk, scrotal and carcass weight. Also note, she scanned an impressive 5.69 IMF. At her side is an impressive Rodemaster heifer calf that's simply one of the very best in the entire sale offering - like her dam she combines both phenotype and numbers to the highest degree. Simply stated this is a can't miss pair October 19th and an opportunity to add two elite breeding pieces to your genetic arsenal.

AI'd 4/25/14 to TMCK Alfalfa 35X.
PE'd to EXAR Freighter 1452B from 4/29/14 to 8/18/14. Safe.

The definition of a sale feature is this elite pair! Udall is royally bred, numerically in a class of her own and at her side is a magnificent heifer calf that has unlimited potential. Notice this homozygous black female, Udall, is out of the legendary dam of JCL Lodestar 27L, Logan's Cheerleader 280G. Her EPD profile is among the breed's very best - ranking in the top 20% for weaning, yearling, milk, calving ease maternal, carcass weight and top 1% for marbling and \$MTI. The bottom-line is, this is a next level type of cow that has the ability to anchor many donor programs.

 PE'd to MAGS Zappo from 4/29/14 to 8/18/14. Safe.

Here's an opportunity to purchase a proven female from the heart of our donor program. She has more than 25 registered calves to her name including the 2014 National Western Stock Show Res. Div V Champion Lim-Flex Female MAGS Zees, which appraised for \$30,000 and is owned with Diamond Hill Cattle Company. Saunter is a sound footed, big bodied, easy doing female that charts consistent EPD's highlighted with a \$MTI figure ranking in the top 20%. Her heifer calf is one you can truly appreciate - she's got the "show look" being sound footed, great fronted, deep sided and square hipped.

AI'd 5/08/14 to MAGS Abracadabra.

PE'd to MAGS Abracadabra from 5/14/14 to 8/15/14. Safe.

Unkept is a unique female. She offers a bit more muscle than your typical Lim-Flex, while also ranking in the top 1% of the breed for marbling and possessing all the body depth and internal dimension you would expect from a 37% brood matron. Both she and her rugged Y-Axis bull calf are homo black and homo polled with balanced numbers across the board.

"Buy them for what they produce." That is an excellent thought when evaluating this pair. She is a feminine, homo polled, 75% Lim-Flex raising a rugged MAGS Whitcomb bull calf that is thick made and high-performing.

Waneta has many attributes to offer. This Main Stay daughter is double homozygous, ranks in the top 5% of the breed for birth weight, scanned a 14.64 UREA and charts a ratio of 112.1 for WW and 104.7 for YW. At her side you will find an impressive, double homozygous herd sire prospect by LH War Hero that ranks in the top 10% of the breed for CE and BW.

PE'd to MAGS Whitcomb from 4/30/14 to 8/19/14.

Without Love is truly a female you will love. She carries a very angular front into a very expansive rib cage, a level top and long hip, down into a sound hind leg and big foot. Tack on a 39 milk EPD that ranks in the top 1% of the breed and you have a great one. She is raising a striking heifer calf by MAGS Xukalani that posts a spread from -0.2 BW to a 104 YW EPD while maintaining a 34 milk EPD and marbling and \$MTI that rank in the top 5% of the breed.

Warning Sign is a well balanced female that combines length of body with sweeping rib shape and ultra smooth conformation. She scanned a 4.25 UIMF and ranks in the top 5% of the breed for CE and BW EPDs. You are sure to find her intriguing bull calf by Y-Axis on sale day. He is attractive in his pattern, sound structured and deep. He also ranks in the top 5% of the breed for CE, BW & Milk.

A female sure to turn your head is this past National Western Stock Show Reserve Grand Champion Lim-Flex Female, MAGS Washcloth. She has that dynamic look of a great cow that could produce a sale topper and a show ring winner. She is massively deep sided, thick, free moving and yet has one of the sweetest fronts you could put on a female. With a 4.88 UIMF scan and a double homozygous Rodemaster bull calf at side, they are sure to be at the top of your list.

Warbonnet is a stylish daughter of the multi-time NALF MOE Gold Medal Sire, GPFF Blaque Rulon. We love the sweet front, smooth shoulder and rib shape she possesses. Make note of the 4.43 UIMF scan data that goes with this double homozygous female. Her bull calf by TNT True Grit X254 offers a fresh pedigree and excellent calving ease and low birth genetics.

 Stop the press! If you are looking to inject a powerful shot of marbling into your program you have just located your next addition. A true outlier, Watchcat scanned a 6.05 UIMF with a marbling and \$MTI in the top 5% of the breed. This impressive data blended with her fault-free phenotype and her double homozygous bull calf by Rodemaster should create a lot of excitement on sale day.

The Rodemaster sons and daughters are in high demand. With her striking profile and stunning numbers package, this homo black, homo polled daughter is sure to be at the top of many lists on sale day. She is in the top 5% of the breed for CE, WW, YW, MA, CW and top 10% for \$MTI. Her 14.48 UREA and 4.79 UIMF scan data are impressive. Her heifer calf by Wazowski is one of the biggest numbered individuals in the entire offering.

Willamae will catch your attention from many angles. She is tremendously deep, thick and broody. She posts big growth and carcass figures while being moderate on birth. Her dam is a flushmate sister to the famous AI-sire trio of DHVO Ace, Deuce & Trey. And she produced a dynamic young 75% Lim-Flex daughter by MAGS Wazowski that charts trait leading numbers, in the top 5% for WW and SC, and top 10% for YW and CW.

PE'd to MAGS Anchor from 6/16/14 to 8/19/14. Safe.

MAGS Xuberada comes from an interesting mating of HARB Pendleton 765 J H and MAGS Uberanda, a daughter of the great donor, ANLC Mandy Ray 2141M. Xuberada blends numbers that rank in the top 20% for BW, MA, and DC with the power and stature you would expect from the great Mandy Ray cow family. Be sure to check out her bull calf by CJSL Zeus.

| .30 | .40 | .35 | .31 | .28 | .28 | .25 | P | .45 | .42 | .42 | .41 | |

AI'd 6/12/14 to MAGS Zodiac. Safe.

PE'd to EF Xcessive Force from 6/16/14 to 8/19/14.

Super deep, feminine fronted and angular in her design, MAGS Year Long is by the always consistent LH Rodemaster. Out of MAGS Phyllo, she is a maternal sister to Lot 15 and Lot 42, and charts impressive performance and carcass figures. Her bull calf by MAGS Whitcomb charts equally impressive stats.

PE'd to DHVO Deuce 132R from 4/30/14 to 8/18/14.

MAGS Y So Lucky is another great female that goes back to the EXLR 199H donor that has been so consistent for us. Not only does she have a -3.3 BW EPD, and rank in the top 5% of the breed for BW, Marbling and \$MTI, she also scanned a 4.97 UIMF to ratio 121.7. Her double homozygous heifer calf by Y-Axis deserves a good, hard look.

Morris

Owned with Lawrence Family Limousin.

AI'd 4/03/14 to TMCK Alfalfa 35X.

PE'd to MAGS Zerxes from 4/29/14 to 8/19/14. Safe.

MAGS Yakitori is from one of the most exquisite cow families in the business, Ashton Jo DHVO 720R, a flushmate to DHVO Ace, Deuce and Trey. Sired by Rodemaster, Yakitori ranks in the top 10% of the breed for WW, YW, CW and RE. She is a true belly dragger that brought in this fabulous homo black, purebred heifer calf by MAGS Yip.

MAGS Youngster is a paternal sister to Lot 50, sired by MAGS Unheard Of. She is soft in her middle, strong down her top and has a nice udder. She also goes back to the elite donor, Sheza Looker that has produced many top progeny. You will definitely want to check out her high percentage heifer calf by AHCC Y Not.

MAGS Winston daughters are in high demand but scarcely offered. It is hard to part with MAGS Y Sweep as she exemplifies the highly productive, strong numbered, easy-keeping Winston females. Her homozygous black, and homozygous polled bull calf by MAGS Y-Axis is also something to behold. He ranks in the top 20% of the breed for Milk, Scrotal and Docility.

Crossbreeding, the only **FREE** Lunch in the Cattle Business

The Benefits of Hybrid Vigor without the Hassle: Crossbreeding made easy with Lim-Flex®

Crossbreeding for the right blend of muscle, maternal ability and profit is easier with Lim-Flex. Registered Lim-Flex seedstock, the pedigreed blend of 25-75% Limousin with Angus (black or red), features the muscle and cutability of Limousin with the marbling and fleshing ability of Angus.

Lim-Flex takes the hassle out of crossbreeding. Lim-Flex provides the right amount of Limousin and Angus to excel in any market, without the extra management of rotational crossbreeding. Whether you're breeding calves to sell through Strauss Brands, CAB or the local livestock market, Lim-Flex not only fit, but can top the market.

Progressive producers recognize the advantages of hybrid vigor:

- ...20% more pounds of calf per cow exposed (due to hybrid advantages in age at puberty, conception rate, survival to weaning, milk production and weaning weight)
- ...1.3 years of additional cow longevity
- ...30% greater lifetime production
- ...Increased fertility and decreased gestation length with hybrid bulls

LIM-FLEX ADVANTAGES

- ...Flexible seedstock for simple, easily managed crossbreeding
- ...Flexible marketing options to maximize profit
- ...Flexible market progeny that consistently hit dressing percent, along with yield and quality grade targets for mainstream markets
- ...Flexible females adapted for efficiency across a wide range of environments

North American Limousin Foundation

303/220-1693 • www.nalf.org

“Not only do Lim-Flex females offer unprecedented longevity, they are extremely fertile and maternally inclined.”

Andy Bailey
Star Valley Ranch, Hiko, NV

“Our cattle have to be stout, easy-fleshing, maternal, and able to fend for themselves. Lim-Flex do this better than any other type of cattle we've ran.”

Casey Deuter
Deuter Ranches, Ree Heights, SD

SELLING 1/2 Embryo Interest - Full possession will be retained by Magness Land & Cattle.

This extraordinary female is a major player in the Magness transplant program and is a featured lot in our sale offering. AUTO Carminda 656S is a consistent producer of elite herd sires including our two most recent high selling purebred sires, now breed-leading AI-Sires. MAGS Yip sold for \$52,000 in the 2012 sale, selling to Braun Limousin Farms and Coltan LLC of Victoria, KS. MAGS Zarah was a feature of our 2014 sale, selling to Liberty Ranch of Plainville, KS for \$26,500. Not only does she have a proven production record, she also ranks in the top 5% of the breed for YW; top 10% for CM and Marbling; and top 20% for CE. She is one of the most exceptional homozygous black and homozygous polled purebred dams in the breed. Catapult your program to a new level with AUTO Carminda.

MAGS Unparalleled Beauty is a homo polled daughter of the famous MAGS Manda donor, one of our very top producing cow families. As a testament to the prolific producing ability of this elite cow line, Manda has 105 progeny recorded with NALF. Unparalleled is a maternal sister to the likes of MAGS Ramada, MAGS Scandal, MAGS Savage, MAGS Unparalleled, and MAGS Wassail that produced the Grand Champion Female at the 2014 All-American Limousin Futurity.

MAGS Wahoo has a ledger full of show wins. She was named the 2011 NWSS Champion Lim-Flex Female, 2011 Kentucky Beef Expo Res. Champion Limousin Female, 2011 Indiana Field Day Champion Female and 2011 Indiana State Fair Champion Open & Junior Limousin Female. Back in our program, she has produced impressive Lim-Flex daughters, one by TNT True Grit X254 and one by MAGS Xukalani. Her dam is the famous Red Robin donor, a leading female in the transplant partnership of Council Family Limousin and Stowers Limousin in Texas. She is just hitting her prime so expect great results when you add MAGS Wahoo to your program.

AI'd 12/26/13 to LH Rodemaster 338R.

PE'd to MAGS UR A Robin from 12/28/13 to 2/25/14. Safe.

MAGS X Marks The Spot is a big time daughter of MAGS Sangaree, and a granddaughter of the prolific MAGS Lady Ace donor. This double homozygous, 75% Lim-Flex offers exceptional growth genetics. She charted a 937 lb. adjusted weaning weight with a ratio of 123.5, plus an adjusted yearling weight of 1,183 with a ratio of 114.9. Her EPDs also rank X Marks The Spot in the top 1% of the breed for REA, top 3% for WW and CW, and top 10% for SC and \$MTI.

AI'd 12/26/13 to MAGS Zodiac.

PE'd to MAGS Xyloid from 12/28/13 to 2/25/14. Safe.

MAGS Xtra Load is a sound structured, broody female with a great udder. This homozygous polled daughter of Rodemaster traces back to the great MAGS Manda donor on the bottom side of her pedigree. She is heavy bred, strong numbered and ready to go to work for her new owners.

Junior Jackpot Show

SUNDAY, MAY 31, 2015

OTTAWA COUNTY FAIRGROUNDS
MIAMI, OKLAHOMA

Magness Land & Cattle will host the MAGS Junior Jackpot Show held in conjunction with the Ron Wayland Limousin Field Day on Sunday, May 31. Any female that is sired by or out of a MAGS animal or carries the MAGS prefix are eligible to show. Every exhibitor from top to bottom will receive premium money. Visit www.magnesscattle.com for details and entry form.

All open heifers selling the 2014 Fall Female Sale qualify for the MAGS Junior Jackpot Show, Oklahoma Leading Ladies and Lone Star Shootout.
