TERMS & CONDITIONS

Terms are cash. The cattle sell under the standard terms and conditions recommended by the North American Limousin Foundation.

HERD HEALTH

All animals that can be, have been tested for homozygous black and/or homozygous polled. All potential carrier animals of known genetic defects, with commercial tests available, have been tested free. All fall-born heifer calves have been calthood vaccinated and BVD tested.

SUPPLEMENTAL INFORMATION

Updated calving and breeding information will be available on sale day and online at www.magnesscattle.com.

ANNOUNCEMENTS

Announcements made sale day and from the auction block during the sale will take precedence over printed material in the catalog or other printed material associated with the sale.

INSURANCE

Insurance will be available through Grassroots Insurance, 515-229-5227, sale day.

TRUCKING

Truckers will be available to assist you in shipping your purchase.

DEAR LIMOUSIN BREEDERS,

On behalf of our team at Magness Land and Cattle, I would like to invite you to our 2015 Spring Production Sale. The sale offering will include 2 outstanding donor cows, 31 fall calving cows in the prime of their productive life, with their 2014 calves to be split off and sold at sale time, 26 fall calving bred heifers, 20 spring pairs and 15 elite embryo lots.

The beef cattle industry in the United States continues to enjoy the highest prices that any of us have ever seen and all signs point to a continuation of this market strength. At the same time, the demand for outcross genetics within the commercial herds continues to grow and this has been reflected by the strong demand we have seen for commercial bulls.

Magness Land and Cattle has made a significant commitment to the Limousin breed since 1985 and continues to strive to produce the best in Limousin and Lim Flex genetics. To this end, the cattle in this offering have complete performance data including ultrasound measurements and all EPDs published by the North American Limousin Foundation.

Our focus continues to be on the production of attractive, sound structured cattle with a strong genetic profile that fit the needs of our customers, whether they are commercial cattlemen or seedstock producers.

Please join us on Saturday, May 9, 2015 at our Southern division in Miami, Oklahoma, to appraise this outstanding offering of females. We are excited about the quality of the cattle offered as the females in this offering reflect the cowherd strength that has been responsible for the production of the Grand Champion Carload at the National Western ten of the past twelve years and Reserve Grand Champion Carload six of the past twelve years. In 2015. We were also proud to have exhibited the Champion and Reserve Lim Flex Pen of Three, the Grand Champion Purebred Pen of Three and the Grand Champion Bull on the hill at the National Western in 2015.

If you have any questions please don't hesitate to call George Hubbard (918) 541-5482, John Pence (970) 396-3584, Kiley McKinna (402) 350-3447 or Dr. John Edwards (541) 890-5745. Looking forward to seeing you at the sale, I remain,

Sincerely yours,
Gary Magness

Exit off of I-44 on Exit 313. Turn West on to Steve Owen's Blvd (Hwy 10). Stay on Steve Owen's Blvd through Miami. Turn right onto Hwy 59/10. Go 2.5 miles. Turn right on 520 Road. Sale site will be on the left.

From Welch:

Go six miles on Hwy 59/10. Turn left on 520 road. Sale site will be on the left.

AIRPORTS & DRIVE TIMES

Joplin, MO: 40 min. Springfield, MO: 1 hr., 45 min.
Tulsa, OK: 1 hr., 30 min. Wichita, KS: 3 hrs., 30 min.

FEATURE DONORS AND FALL PAIRS

LOTS 1-88

Leading the sale off is two of the very finest donor females we've ever put in production at Magness Land & Cattle. Their respective production records speak volumes to the level of their true breeding value. The pairs at hand feature cows in the prime of their productive lives bred to many of the breed's freshest and most elite A.I. sires. Furthermore, at the side of the cows you'll find a combination of natural and embryo transfer calves that hold worlds of promise as future building blocks or show prospects. Bid with confidence.

ELITE - it's a word fitting of this exceptionally well designed, huge numbered, predictable donor female that continues to produce at the highest level! Phenotypically, UR Salina combines an exceptional front-end design, femininity, rib shape and structural integrity in one phenomenal package. On paper, this double homozygous donor charts an impressive birth to yearling spread posting an actual 77 pound birth weight to an adjusted yearling weight figure of 1,369 pounds. In addition to her growth advantages, she is one that's a true outlier in terms of carcass merit - take note of her staggering 5.09 UIMF score and rib-eye EPD which ranks in the top 2% of the entire breed. To take it one step further, she is also the dam of two high selling bulls from the 2015 March Bull Sale, which we featured in our National Champion Carload and Lim-Flex Pen plus, in the past two Mile High Elite sales, an event reserved for our very finest, she's been dam to 3 highly elite females. Folks the bottom-line is, this is a rare buying opportunity to invest in one of the breed's truly great females. Don't miss your chance to own UR Salina May 9th!

This extraordinary double homozygous, purebred female is a major league donor and true sale feature! Uahuka, holds the rare combination of being royally bred, carrying a high degree of phenotypic quality and is numerically impressive. First off, visually this many-time Champion Female is exceptionally well designed - she's big footed, free moving, sleek fronted, big bodied, square hipped and has a perfectly constructed udder. On paper, she ranks in the top 10% for weaning, yearling, scrotal and carcass weight. Pedigree-wise, she's by the many-time Gold Medal of Excellence sire DHVO Deuce 132R and out of the famed National Champion Donor, Carrousel's Pina Colada. Also note, she is the dam of one of the most popular and famed Lim-Flex sires of our generation, MAGS Y-Axis, that sold for a staggering \$48,000 in our annual bull sale. Catapult your program to a new level with MAGS Uahuka.

Folks, here's an opportunity to purchase a female from the heart of our breeding program! Visually, this homozygous black female is sound footed, big bodied, correct in her lines and perfect in her udder configuration. Also, note that she charts a consistent set of EPD's which is highlighted by a marbling figure of .91 and \$MI figure that ranks in the top 1% of the breed. Furthermore, her ET heifer calf at side is one you can truly appreciate - she's structurally correct, deep sided and square hipped. Don't miss this high quality pair sale day!

Simply stated, this is an elite pair! Walkin is royally bred, numerically in a class of her own and at her side is a magnificent heifer calf that has unlimited potential. Notice, this homozygous black female, Walkin, is out of the legendary dam BOHI Red Robin 282R that has produced hundreds of thousands in sale rings across the country. Her EPD profile is among the breed's very best - ranking in the top 15% or better for WW, YW, MA, SC, DC, CW and RE. The bottom-line is, this is a next level type of cow that has the ability to anchor many donor programs. Her heifer calf by MAGS UR A Robin is big bellied, easy fleshing and exceptional practical in her design.

 Here's a double homozygous, outcross pedigreed, 50% Lim-Flex female that promises to catch your attention! Visually, Onward Hopes is exceptionally athletic when set in motion, carries a ton of rib shape and is very angular in her lines. She offers a ton of breeding versatility being a total outcross to all Lodestar and Rulon lineages. On paper she's really hard not to like - she posts a WW, YW and MA EPD's that rank in the top 20% or better. In addition, notice she's carrying service to MAGS Anchor and has a stout featured bull calf at side that'll impress.

Folks, this pair holds limitless potential! The cow, Wide Awake, is a bold ribbed, big numbered daughter of maternally oriented A.I. sire MAGS Twain and is popular bred back to the syndicated MAGS Acapulco sire that was a topping-selling bull in our 2014 bull sale. Now for the even better part - the ET heifer calf at her side is quite simply amazing! She's sound structured, huge bodied, square hiped, attractive patterned and comes to us in a big numbered package. We think she is a real sale highlight and one to definitely have on your radar screen for either a show or a breeding piece.

Here's a unique double homozygous female with a tremendous amount of upside. She offers more muscle than your typical Lim-Flex while possessing all the body depth and internal dimension you would expect. In addition, she also ranks in the top 20% of the breed or better for WW, YW, SC, CW, RE, MS and \$MI. Both she and her attractive-made ET Upshot heifer calf should be found a top many lists come sale day.

Sale day don't overlook this quality pair! For starters, take note of this big bodied, good uddered daughter of the legendary MAGS Phyllo donor female. Numbers-wise, she ranks in the top 10% of the breed for both marbling and \$MI. Okay now for the fun part, study this amazing ET heifer calf she has at her side! This daughter of the \$40,000 MAGS Xukalani sire might just be the best show heifer prospect in the entire sale offering - she's flawless fronted, level topped, square hiped, good boned and structurally correct. Bottom-line is, she projects to be a tremendous show heifer prospect.

Take a good look at this homozygous polled, total outcross pedigreed female that's loaded with maternal strength! Visually, she is a big bodied, easy doing, high volumed female that's moderately made. Numbers-wise, she offers a clear birth weight advantage, posted a staggering 1.09 marbling EPD and ranks in the top 1% for \$MI. In addition, make note of her stout featured, ET heifer calf by the popular MAGS Zodiac sale day!

BW. 92 ACT WW. 740

Check out this homozygous polled female that's a complete outcross to all Rulon and Lodestar lineages. To the eye, she is long fronted, smooth patterned, level hipped and athletic on the move. Turning our attention toward her amazing ET heifer calf at side, it's hard not to be thoroughly impressed. This daughter of Zodiac is extra big footed, attractive profiling and high growth - quite possibly a sleeper show heifer prospect.

BW. 64 ADJ WW. 595

High volumed, easy fleshing, practical and sound structured are just a few terms that come to mind when describing this royally bred, homozygous polled female. Tinesha, is a full sister to the popular A.I. sires MAGS Unheard Of, MAGS Undoing and MAGS Teddie! Numerically, she jumps off the page maternally and from a carcass merit standpoint - ranks in the top 3% for milk, top 1% for both marbling and \$MI. Also, take note of the job she's doing raising a monster numbered, outcross pedigreed heifer calf at side.

Leading off the spring sale offering is a tremendous donor female that has produced at the very highest level! Visually, this daughter of the famed National Champion Female, Carrousel's Pina Colada, is sound structured, good fronted, big bodied, level hiped and easy fleshing. On paper, this homozygous black donor holds a decisive calving ease advantage ranking in the top 1% of the entire breed. Note, she is the dam of the flawless patterned, highly popular, A.I. sire, MAGS Xukalani. In addition to her, you're investing in a promising bull calf at her side by the National Western Stock Show Grand Champion Bull, MAGS Zappo.

Youngness is an attractive made 4-year-old daughter out of the prolific DVFC Nina cow family that is accompanied by her popular-bred, double homozygous bull calf at side. Visually, she is big middled, easy fleshing and super broody in her look. Numerically, she combines calving and growth to a high degree while posting a .91 rib-eye EPD which ranks in the top 2% of the breed.

If you're searching for a fresh pedigreed female in the prime of her productive life then don't overlook this complete outcross to all Lodestar and Rulon lineages! To the eye, this female is attractive fronted, smooth shouldered, deep sided and square hipped. On paper, she is well balanced across the page. Her Rodemaster bull calf at side is one that holds a lot of promise both visually and numerically.

Visually you simply can't make one much better folks. Analyzing her you can truly appreciate the combination of her structural make-up, base width, natural capacity, front-end design and rib shape. The bottom-line is, she's just a flat out good one. On paper, this double homozygous daughter of Rejuvenator charts an impressive birth to yearling spread. Additionally, at her side is a well made bull calf by the syndicated MAGS Acapulco sire that was a top seller in our 2014 bull sale. Appraise the true value in this pair May 9th.

**THE MAGS
PROGRAM**

**GUARANTEED SIGHT-UNSEEN
PURCHASE PROGRAM**

Our sight-unseen program is simple. If you can't attend, call George Hubbard, 918-541-5482, or MC Marketing Management, 402-350-3447, and give them your specifications and budget. We will provide you with a list of females we feel will meet your needs. If the females don't meet your specifications at delivery, you don't own them. We guarantee your bids will be confidential, and your purchases will be executed at the lowest bid possible.

Exceptional is a term that can be utilized accurately when describing this double homozygous, half-blood Lim-Flex female. Visually, this donor female is sound structured, great fronted, deep sided and stout featured. Numbers-wise, this total outcross to Rulon lineages spans an impressive birth to yearling spread while still posting 26 for her milk EPD. The bottom-line is, if you came looking for that "complete" individual you could base a donor program around, then here's one to add to your short list.

THE MAGS PROGRAM

SERVICE

Our tag-line is, "The Brand You Trust, The Results You Expect." Simply stated, at Magness Land & Cattle, it's our goal to not only provide you with an exceptional product, but also industry-leading service. If you have a problem with a MAGS purchase, we want you to know we'll make it right. It's our everyday goal to satisfy our customers and ensure their success.

Study this attractive patterned, huge numbered, homozygous polled, Lim-Flex daughter of the famed A.I. sire, Rito 6EM3 Of 4L1 Emblazon. Visually, she is long fronted, level made, square hipped and stout boned. Numerically, she truly excels, ranking in the top 25% or better for calving ease, birth weight, weaning weight, yearling weight and rib-eye. Simply put, this sale feature truly combines phenotype and numbers to the highest degree.

PE'd 12/20/14 to 2/06/15 to MAGS Yip. Safe.

Attractive made, well balanced, long patterned and bold ribbed describes this MAGS Xmas Time daughter to a tee. Aside from her obvious phenotype advantages on paper, she charts an impressive birth to yearling spread and ranks in the top 10% for weaning weight and yearling weight. Here's a female that promises to produce stout featured cattle that are exceptionally high performing.

Folks, here is a double homozygous, practical designed, functionally sound, moderately made, big middled female that's by the famed MAGS Y-Axis sire that was appraised for \$48,000. This Lim-Flex female does a lot right visually, but the best part is she offers unlimited breeding versatility being extremely good numbered and a total outcross to all Lodestar lineages.

Don't miss this attractive patterned, long bodied, higher percentage daughter by the \$52,000 A.I. sire MAGS Yip and out of a highly productive, good milking, donor cow in MAGS Raphaela. On paper, this double homozygous female combines an attractive birth weight figure with both ribeye and marbling EPD's that take you in the right direction.

Like her full sister, Lot 70, we really like this female for a lot of the exact same reasons. She's one of those types of females that promises to keep you in the business year in and year out just from a pure functionality standpoint. Also note, she's carrying a huge numbers package and ranks in the top 25% or better for CE, WW, YW, CM, CW and RE.

Here's a double homozygous female that's a total outcross to all Lodestar lineages. Visually, this own daughter of the famed National Champion MAGS Xyloid sire is super sound structured, deep ribbed and attractive profiling. Numerically, note she scanned an impressive 4.12 UIMF. Look her up sale day.

Ask the Experts - Limousin sired calves work

“In these times when the margin on feeding cattle is so slim, the difference between YG 1-2 and YG 3 can be the difference in a profit or loss on a set of calves. We run a lot of Limousin influenced cattle through our barn and they consistently top the market and make our customers money.”

-Jackie Moore, Owner/Operator
Joplin Regional Stockyards, Missouri

Moore is a lifelong cattleman who knows the ins and outs of the cattle industry. When Limousin genetics come through his sale barn, particularly in a hybrid package, he can pretty much guarantee that those cattle are going to grow more efficiently and have a higher cutability. Day in and day out, Moore has the opportunity to see thousands of cattle marketed across the midwest, and he knows what type of investments are going to yield the highest return for his customers.

THE LIMOUSIN ADVANTAGE

Limousin and Lim-Flex® (Limousin x Angus hybrid) deliver to your bottom line.

- ‡ Calving ease & calf vigor
- ‡ Tested & proven docility
- ‡ More pounds to sell at weaning
- ‡ Cow & bull longevity
- ‡ Feed efficiency
- ‡ Carcass merit

To learn more about the Limousin advantage,
visit www.NALF.org or call 303-220-1693.

The background of the page features a dramatic sunset or sunrise sky with soft, golden light and wispy clouds. In the foreground, the dark silhouettes of three horses are visible, their heads and necks extending across the top of the frame. The overall mood is serene and majestic.

GENETIC OPPORTUNITIES

LOTS 80-94

Here's a rare opportunity to invest in some of our most elite embryo matings we've made at Magness Land & Cattle. The 15 embryo lots represent the type and kind of cattle we aim to consistently produce from a pedigree, phenotype and numbers standpoint. Note, all the embryos will be on hand sale day. That said, we are pleased to share and place our genetic future on appraisal for you. Bid with confidence.

MAGS

Junior Jackpot Show

SUNDAY, MAY 31, 2015

OTTAWA COUNTY FAIRGROUNDS
MIAMI, OKLAHOMA

Magness Land & Cattle will host the MAGS Junior Jackpot Show held in conjunction with the Ron Wayland Limousin Field Day on Sunday, May 31. Any female that is sired by or out of a MAGS animal or carries the MAGS prefix are eligible to show. Every exhibitor from top to bottom will receive premium money. Visit www.magnesscattle.com for details and entry form.

All open heifers that sold in the 2014 Fall Female Sale or that sell in the 2015 Going to Grass Female Sale qualify for the MAGS Junior Jackpot Show, Oklahoma Leading Ladies and Lone Star Shootout.

THANK YOU

WE APPRECIATE
YOUR SUPPORT
AND ATTENDANCE
